

The Sudbury Historical Society serves as a cultural anchor of our community, preserving heritage and educating current and former members of Sudbury and the surrounding towns.

We have developed new programming and expanded our exhibits, and plan to continue this growth and continued participation in events within the community.

Funding sustains our vital operations, from artifact conservation to educational programs, ensuring accessibility for all audiences.

Supporting our institution fosters local pride in Sudbury, boosts tourism, and enriches the community by celebrating history, art, and knowledge.

We urge you to invest in a vibrant cultural landscape for generations to come.

HISTORICAL SOCIETY

2024 Annual Appeal

2024 Spotlight

★ Our Collections are online now!

★ Executed 2 successful fundraisers -- our annual Road Race and a Golf Tournament

★ Introduced a new, robust exhibit – “Sudbury’s Changing Landscape”

★ Conducted “Sudbury Through Time,” a program for 3rd graders to educate them on the history and cultural significance of our community

Future Growth

The Sudbury Historical Society would like to create an endowment fund to help continually fund operations.

Why an endowment?

Endowments play a vital role in sustaining organizations by providing a stable source of income.

They ensure long-term financial security, enabling institutions to fulfill their missions regardless of economic fluctuations.

Support Us

I am making a contribution to the financial future of the Sudbury Historical Society in the amount of:

\$ _____

Name _____

Your contribution will ensure the longevity of the organization, and build upon the hard work and progress we have demonstrated over the past years.
