SUDBURY
HISTORICAL SOCIETY

Preserve our Past. Invest in our Future.

For this 2026 Annual Appeal, 15% of your generous donation will go towards preserving our past and the other 15% towards investing in our future.

Your contribution will support our archives and efforts to preserve our Sudbury history collections, as well as to establish a scholarship for selected local history students.

The remaining percentage will strengthen our general fund, which allows us to continue event programs and the upkeep of our wonderful museum in Town Center.

We appreciate and value your support!

Elin Neiterman — **President**

Francesco Buccella — **Director & Archivist**
